

Pre-Surgical Waiver

Completed **INSTEAD** of an Adoption Contract

USE THIS FORM IF

- Sending a **kitten** home prior to being sterilized (spay/neuter)
- **The kitten is medically unable to be spayed or neutered ONLY** — no exceptions

ACCEPTABLE REASONS

- Heart murmur
- Liver shunt
- Deformity
- Cryptorchid
- Hernia

UNACCEPTABLE REASONS

- Upper Respiratory Infections
- Underweight
- Anxious Adopter
- Previous Adopter
- Sibling already fixed and adopter wants pair

GUIDELINES

When adopting out a kitten prior to surgery, the Pre-Surgical Waiver is signed **INSTEAD** of the contract. **The adopter does NOT receive the kitten's full medical records until AFTER the kitten has been sterilized.** The adopter **MUST** pay the adoption fee at the time they take home the kitten.
